Hello Students and Families of FSJSS,

We are now in the full swing of these temporary learning platforms. Student work packages are being picked up and on-line work is being activated. If students have questions about their learning and cannot access their teacher on-line, please call the school. Teachers are available for phone calls during the school day.

I encourage students to continue with the assignments that they have been given by their teachers. Students final grade will be determined by the marks before the COVID 19 rules and after until the end of term.

This means the work packages and online work does count for your mark!

Grade 12 students need to be completing all assignments to be sure they graduate.

April 24, 2020 the school is closed for PRO -D day.

If you have not heard from your teacher, please contact the school at 250 996 7126.

Mr. Houghton

Principal - FSJSS
